<tr>
<td>1. Rinse affected area immediately with water for 15 minutes.</td>
</tr>
<tr>
<td>2. Seek medical attention.</td>
</tr>
</tbody>
</table>

### Undergraduate Non-Emergency Medical Care

1. Notify Lab Instructor.
2. Go to: **Student Health Service 412-383-1800**
   - **Nordenberg Hall - Wellness Center**
   - 119 University Place
   - **Fall and Spring Terms (September thru April)**
     - Monday, Wednesday & Thursday: 8:30 a.m. - 7 p.m.
     - Tuesday & Friday: 8:30 a.m. - 5 p.m.
     - Saturday: 10 a.m. - 3 p.m.
3. **Summer Term a call must be made**
   - During non-business hours seek treatment at **UPMC Presbyterian Emergency Room**.

### Chemical Spill

1. Evaluate spill:
   - 1. If flammable, highly toxic, or large, evacuate area and call 412-624-2121.
   - 2. If incidental, contain spill. Neutralize or absorb spilled material. Dispose of cleanup materials: Waste containers are available in room 201.
   - 3. If necessary, contact EH&S (412-624-9505) for assistance.

### Fire

1. Alert others in immediate danger and close door.
2. Pull alarm.
3. Evacuate using stairs.

### Upon Hearing Building Alarm

1. If possible, prepare lab for evacuation by shutting off gas, securing experiments, capping containers.
2. Close lab doors.
3. Evacuate using stairs.
4. Move away from building and entrances.
